

## TELECOMMUNICATOR RECOGNITION

Some things we have done in the past for Telecommunicator Week are:

1. T-Shirts every year...some have a nice collection
2. Dinners, Lunch, ect.
3. Proclamations from the County and City Commissions
4. One year we got WSB radio here in Atlanta to do the McDonald's Breakfast Break and announce it over their morning news show.
5. Gift bags from our vendors.

We also try to get them involved in community activities such as National Night Out each year, also with some of our local events as either volunteers or working the event. Builds incentive for the employee.
