

## APCO-AFC Spectrum Management Division – Licensing Services

351 N Williamson Blvd., Daytona Beach, FL 32114-1112

(386) 322-2500

### FEE SCHEDULE

Effective July 10, 2009

The APCO Licensing Service offers full-service licensing with a staff experienced in application preparation and processing, FCC Universal Licensing Service policies and procedures, FCC licensing, knowledge of FCC Rules and Regulations, and the coordination processes.

The fees charged by the APCO Licensing Service are for the preparation of an application for licensing by the FCC and **DO NOT** include the coordination fees charged by frequency coordinators.

#### APPLICATIONS ARE PREPARED AND SUBMITTED FOR FREQUENCY COORDINATION

Form 601 Main Form (Administrative data, certification statements, signature)	\$150
Each Schedule D (Station location information)	\$100
Schedule H, page 1 (Eligibility, associated call signs, control point information)	\$50
Schedule H, page 2 (Antenna information)	\$50
Schedule H, page 3 (Frequency information)	\$5.00 for each line - \$100 minimum

The APCO Licensing Service can prepare and submit your application for **700 MHz** frequencies through **CAPRAD**.

#### THE FOLLOWING SERVICES ARE FILED ON-LINE ON THE FCC'S ULS SYSTEM

Special Temporary Authority (Recommended for expired licenses)	\$300	Assignment Authorization (Fee includes assignor and assignee submissions)	\$500
Schedule K (Required Notification for Wireless Services)	\$100	ASR Registrations (Register FAA information with the FCC)	\$100
Renewal Only (Renewal within 90 day prior to expiration)	\$100	FRN Registration (Register applicant's Taxpayer Identification Number with the FCC)	\$100
Renewal/Mod (Renewal within 30 days after expiration)	\$100	License Cancellation	\$100
Administrative Updates	\$100		

APCO offers a 10% discount on licensing services for APCO members.

APCO Licensing Service will accept checks, purchase orders, credit card payments, or a signed and dated letter of intent. Please make checks payable to APCO International, Inc.

APCO's Spectrum Management Division also offers various engineering services at competitive rates. Refer to the APCO-AFC web site for more information at [www.apcoaafc.org](http://www.apcoaafc.org) or call (386) 322-2500.
