

ATTENTION ALL MISSOURI 9-1-1 PROFESSIONALS:

IT'S THAT TIME OF YEAR AGAIN!

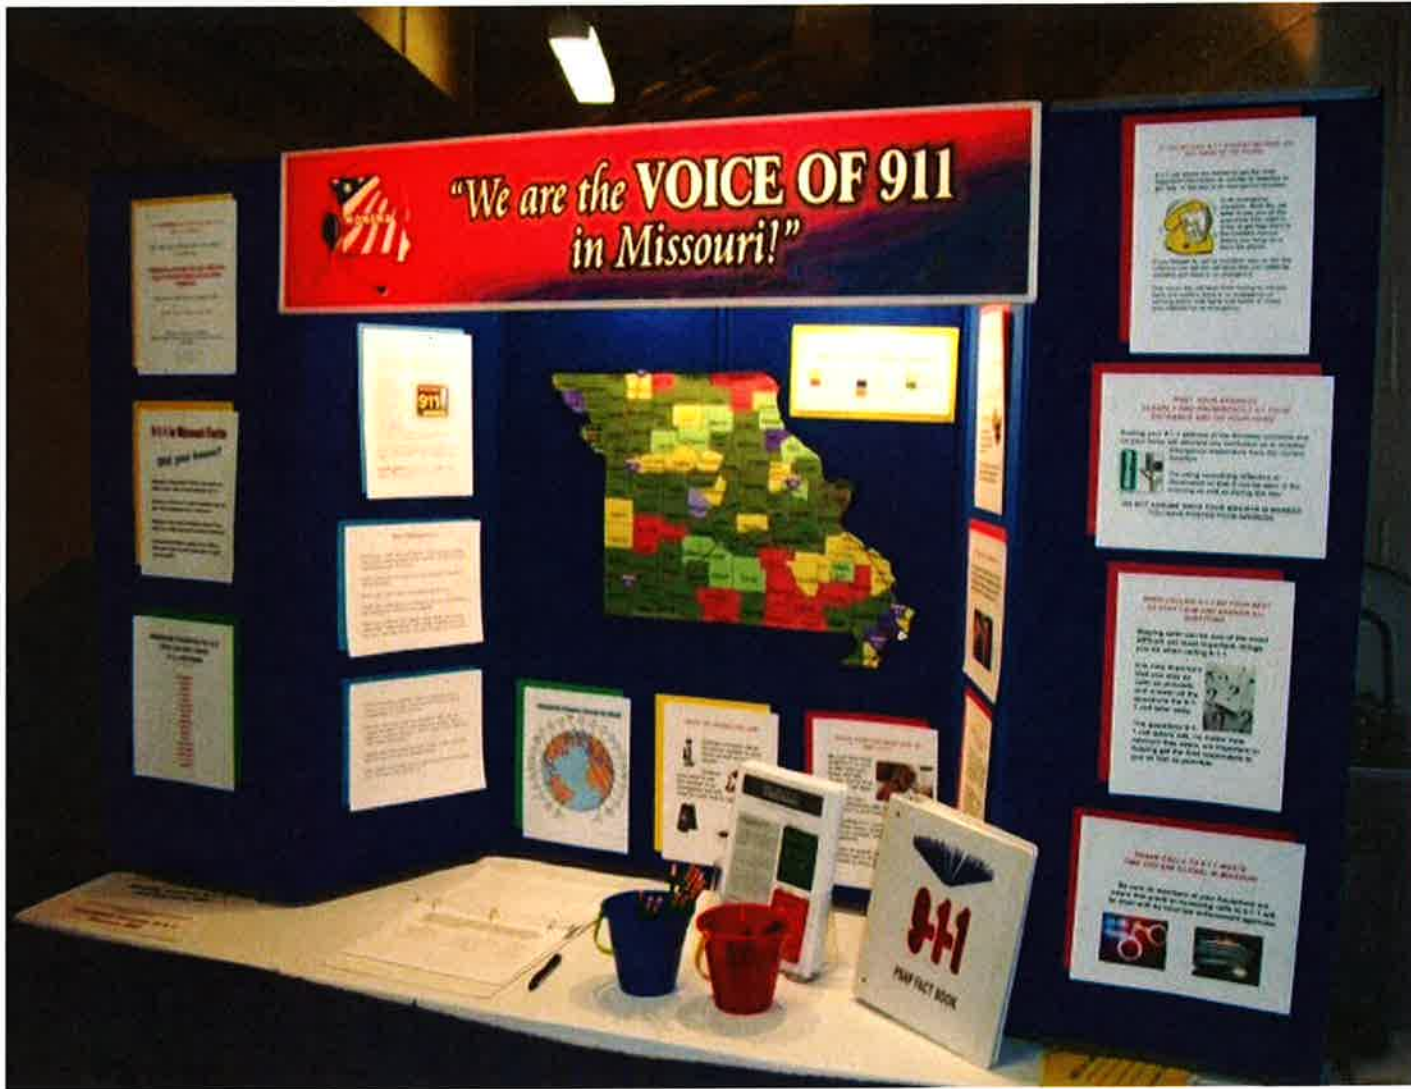

Help make history this year
by being a part of the 3rd Annual
Missouri 911 Awareness and Education Exhibit
at the 2012 Missouri State Fair
in Sedalia, Missouri!

911 Professionals, like you, from around the State will help
spread the message about 9-1-1 to the thousands of daily fair goers.

MONENA, MOAPCO and the Missouri 911 Directors Association need your help to make this a success!

Volunteers are needed to staff the booth on each day of the fair. Each day will be split between two PSAP's, one working the first half and the other working the second half. The sign up schedule is below. We need a minimum of 20 PSAP's to commit to making this event a success.

What we need from any PSAP that is interested:

- A solid commitment to staff the exhibit at your designated date and time - Please do not even consider signing up if you don't have every realistic expectation that you can staff the booth with at least 2 people! (*Catastrophic disasters affecting your PSAP will be the exception*)
- A minimum of two experienced 911 people from your PSAP. (You can bring 3-4 people to allow for rotating staff out for breaks, etc, but two should be able to handle it)
- Staff with previous experience in 911 Public Education preferred (public speaking at schools, civic groups, etc.)
- Staff with a positive, outgoing, cheerful attitude are a must!
- Each PSAP will be responsible for their own expenses (transportation costs, parking, meals, lodging if necessary)

What you will receive for your participation:

- Volunteer at the booth for 1/2 a day and enjoy all the sites and sounds (and food) of the State Fair during the second 1/2 of the day!
- Recognition for your Agency at the Fair (imagine the pride when someone from your county visits with you at the fair!)
- Satisfaction in knowing that you and your agency are helping spread the 911 message to all Missourians!

**PLEASE REGISTER YOUR AGENCY EARLY TO
RESERVE THE BEST SHIFT FOR YOU!
THIS SCHEDULE WILL BE UPDATED DAILY!**
