

COURSE DESCRIPTION

A Comprehensive Quality Program cannot be created overnight. A program must be thought out and prior planning efforts put into the system utilizing the methods of measurement and the analysis of results achieved. A successful Quality Program will require a systematic approach. This course will provide the necessary insight so that the proper tools and methodologies can be employed to make the Quality Program a vital and useful part of your organization.

Topics include:

- ▶ Quality
- ▶ Quality Planning and Methodologies
- ▶ Standards and Liability in Quality Programs
- ▶ Building a Performance Evaluation Program
- ▶ Feedback and Coaching
- ▶ Surveys and Analysis

Class lecture is supplemented by practical exercises that help students apply the lessons to their own agency. Students not only learn about a Quality Program, but also learn how to implement the program within their agency.

Prerequisites:

Students should be experienced in communications center operations, have a working knowledge of communications policies and procedures, and be involved in the Quality Assurance/Quality Improvement within their agency.
