APCO Institute Co-host Application

APCO Institute would like to thank you for your interest in co-hosting an APCO Institute training course. With your assistance, we can bring high-quality APCO training to your community at no charge to you or your agency.

APCO Institute utilizes co-host agencies and chapters for several reasons. As the co-host agency, you know what training is needed in your area. By hosting a class, the training that is needed in your area can be delivered to your door. The local co-host also adds “local flavor” to the presentation by providing a familiar classroom site in familiar surroundings. Local co-hosts assist us with contacting interested agencies, locating accommodations for out-of-town students and instructors, and acting as the local contact for those who have questions about the area.

You may choose to co-host any of our APCO courses. We require three (3) to four (4) months advance notice so that we may properly market the class to the national and international audience, and make all of the preparations to be sure that your class is a success. APCO Institute reserves the right of final decision on the exact dates for the class, and the minimum number of students for each class. Classes that do not meet the minimum required number may not be conducted. We want to be sure that we have the instructors and resources available to ensure a great training experience.

As the co-host, there are a few things that we require of you and your agency:

- *Completely fill out and return this co-host package to the Institute*
- *Contact local agencies in your area to promote the class*
- *Use whatever resources available to you to promote the class (i.e. emails/faxes, etc.)*
- *Distribute advertising flyers that we will provide in the local area*
- *Provide a suitable classroom facility for the class*
- *Receive and hold the shipment of books and materials for the class, and ensure that those materials are available to the instructor at least one hour prior to the start of the first day of class*
- *Introduce the class and the instructor on the first day of class*
- *Assist the instructor as needed*

Please fill out the accompanying forms and either mail or fax them back to APCO Institute at 386-322-9766.
BEFORE SENDING ANY FORMS, MAKE A COPY OF THEM FOR YOUR RECORDS

APCO Institute does not make students' hotel reservations, travel arrangements or other arrangements. Students must fund their own travel and make their own arrangements for accommodations and transportation. Some hotels will reserve a special rate for meeting attendees, so ask if there is such a rate. Also, ask if there is a "Government Rate," since most of the attendees will be government employees.

Shipping of Class Materials

Course materials **MUST** be signed for and will ship to Agency/ Business addresses ONLY.

Please advise asap if this poses an issue for you.

APCO Institute provides all of the class materials for use in the class. These materials are shipped about ten days prior to the class starting date. The shipment normally consists of one to five boxes, depending on the number of students registered and the type of class being taught. Boxes are shipped by Federal Express.

The co-host is responsible for providing a shipping address, responsible contact person and phone number for this shipment. That person will be designated on the shipping label as the recipient, and will be responsible for accepting the shipment and seeing that it gets to the class site on the first day of class. This is a *very important* task - no materials, no class!

Please fill in the information below completely. Print legibly, and please do not use any acronyms.

Your package should include: Manuals, Exam Forms, Scantrons and Name Cards unless otherwise advised by the Institute. As the Host Agency, it is your responsibility to retrieve and safely secure all items until the start date of the class, as these materials are confidential. If you find that your package is incomplete, contact the Institute immediately upon receipt of these materials.

Please deliver the ALL materials to the class site no less than one hour prior to the start of class on the first day.

Additional Information: APCO Institute will provide the co-host with flyers advertising the class. These flyers may be distributed in any manner that is attractive to the co-host - mailings, delivery at other public safety meetings, etc. In addition, APCO Institute will complete an email marketing campaign for your class, notifying up to 1,000 people about the class. The class dates and location will be published in the *Public Safety Communications*

magazine, and also on the APCO Web Site. We ask that co-host agencies announce the class at meetings, post announcements and notify other agencies in the area about the class via email/fax or other communication tools at your disposal.
