

## Registered Public-Safety Leader (RPL) Recertification Requirements

To remain a current Registered Public-Safety Leader, you must acquire a minimum of 40 points during the four year certification cycle; review the **RPL Certification Period** dates for clarity. Recertification offers you the opportunity to demonstrate your continued dedication to the public safety industry. A variety of professional and educational activities are suggested below.

This document is for your record keeping throughout the 4-year certification. You will upload all information by accessing your My APCO profile-> Training Central tab-> the My Recertifications Tile-> the RPL Recertifications button. You will view the **RPL Certification Period** dates here.
